Please choose 3 electives from any of the three categories (Classroom Setting Courses, Jaguar Virtual Middle School Lab, or Jaguar Virtual High School Foreign Language Lab). Number your choices from 2 to 4, as your first elective choice has already been identified. Every effort will be made to ensure that you receive 2 of your 4 choices. If a specific elective does not generate enough students to field a class, the class will be canceled and the student will be placed in their next choice.
